

*News about our 2016 Membership applications and Directory...*

Hi All,

Just a reminder that membership renewals are due. January 1, 2016 starts a new member year. I know it will be confusing for a bit, but **JO ANNE SMAIL** is the actual membership chair, and will be collecting membership applications and checks, issuing cards and collecting directory listings. I'm but an assistant in the process, so please send info to her.

2016 will be a directory year, so please renew early and get your horse listings done, so all can be included in the Directory. **Directory deadline is Feb 14**, but please don't wait till the last minute. Booklet will be the same size as previous years.

For the Directory, a full page ad for \$125. Inside front cover and inside back covers will be \$150. Back cover will be \$200. All black and white. The inside covers and back page will be offered to the last advertisers first, as a courtesy. If those folks decline, ads will be accepted on a first com/first serve basis.

Camera ready would be great, but if not, we can work with you to get the ad together.

Help us make this a great directory. **Please make sure your info is correct, any email changes, phone changes etc need to be updated.** Contact either of us with questions, but again, send your memberships to Jo Anne Smail.

Thanks in advance for your help and Happy Holidays!

Jo Ann Squier
